Engineering
Tomorrow,
Delivering
Today

About our **Company**

Atlas Core is a dynamic and reliable supplier of industrial materials and solutions, serving diverse sectors across construction, manufacturing, oil & gas, and infrastructure. With a strong focus on quality, consistency, and client satisfaction, we specialize in the trading and supply of mechanical, electrical, civil, and safety products, along with expert fabrication, galvanizing, and material support services. Our extensive product range and efficient delivery systems are designed to meet the evolving needs of complex projects and industrial operations.

We take pride in maintaining long-term partnerships with our clients by ensuring timely supply, competitive pricing, and customized sourcing solutions. Whether it's supplying critical components or supporting end-to-end material logistics, **Atlas Core** remains dedicated to powering progress and delivering value at every step.

Our Purpose, Principles & Promise

At **Atlas Core**, our purpose is to deliver reliable industrial solutions that support project success. Guided by integrity and quality, we promise consistent products, responsive service, and trusted partnerships.

End-to-End Industrial Solutions

Atlas Core provides end-to-end industrial solutions that cover everything from material sourcing and supply to fabrication and delivery. Our integrated approach ensures efficiency, reliability, and consistency across all stages of industrial and construction projects.

Vision

To be a trusted leader, delivering excellence and innovation in all we do.

Mission

We strive to provide quality solutions that exceed expectations and create lasting value.

Values

Integrity, commitment, innovation, teamwork, and customer focus.

Trading & Supply of Industrial Materials

At **Atlas Core**, we provide a comprehensive range of industrial materials essential for construction, manufacturing, and infrastructure projects. Our offerings include mechanical tools, electrical fittings, civil materials like cement and steel, various types of pipes and valves, welding consumables, safety gear, fasteners, and lifting accessories—all backed by reliable service and timely delivery.

Mechanical Tools

- Hammer, Chisels, punch
- Handsaw, Hacksaw
- Holesaw Cutter
- Snip Cutter
- Knipex Cutter
- Combination & Open Spanner
- Grip Plier
- Files, Brushes
- Screw Driver
- Diamond Blade
- Cutting Disc
- Circular Saw Blade
- Drill Bit (HSS, SS, CS, Concrete, wood, Hilti type)
- Flap Disc
- Pipe Wrenches
- Bolt & cable cutter
- Taps Dies
- Bench Vise
- Scrapper
- Trowel, Shovel
- Plum Bob
- Spirit Level

The wealth of experience accumulated in **Atlas Core** for managing bulk materials supplies and having vast experience in serving EPC contractors, Engineering companies and Fabricators for their Bulk and Top up requirements for their projects in Saudi Arabia.

Electrical Components & Fittings

- Circuit Breakers
- Switches & Sockets
- Electrical Panels & Distribution Boards
- Cable Glands & Lugs
- Conduits & Conduit Fittings (PVC, GI, EMT)
- Busbars & Busbar Supports
- MCBs, MCCBs & Contactors
- Terminal Blocks & Connectors
- Relays & Timers
- Earthing Materials (rods, clamps, wires)

Civil Construction Materials

- Binding Wire (G.I. & Coated)
- Filler Board
- Steel
- Aggregates
- Polythene Sheet
- Cements
- Tie Rod, Wind Nut, Waller Plate, Tie Rod Stopper, Shuttering Clamp
- PVC (Pipe, Cone, Cap, Spacers, Wheel Spacer, Chamfer)
- Nail (Common & Concrete)
- Plywood & etc.

Industrial Materials

- Steel Pipes & Fittings
- Grooved Fittings & Valves
- Copper, Brass Pipes & Fittings
- Soldering & Welding Products
- Gauges & Meters
- Solvents, Adhesives & Cleaners
- Chlorine & Water Filters
- Valves, Bars & Tubes
- Pressure Tanks
- Sheets & Plates
- Clamps, Joints & Couplings
- Pipes, Fittings, Valves & Drains
- Valves & Arrestors
- Flanges
- Gaskets

Welding Equipment & Consumables

- Welding Machines (MIG, TIG, Stick)
- Electrode Holders & Ground Clamps
- Welding Electrodes & Rods (MS, SS, Cast Iron, etc.)
- Tungsten Rods for TIG Welding
- Welding Wire (Solid, Flux-Cored)
- Welding Helmets & Face Shields
- Welding Cables & Connectors
- Regulators (Oxygen, Acetylene, Argon)
- Anti-Spatter Sprays & Welding Flux

Safety & PPE Products

Safety is not just a priority but a core value at **Atlas Core**. Recognizing the paramount importance of a secure work environment, we provide an extensive array of safety materials that go beyond mere compliance with industry standards. Our comprehensive range includes personal protective equipment (PPE), safety gear, signage, and other essentials that collectively create a robust safety framework.

Our Safety Products

- Safety Shoes
- Eye Wear Safety
- Face Mask
- Road Safety
- Gloves
- Reflective
- Helmets
- Accessories
- Coveralls
- Hardware Items

Lifting Accessories

- Wire Rope Slings
- Hooks (Eye Hooks, Swivel Hooks, Safety Hooks)
- Chain Slings (Single, Double, Multi-leg)
- Turnbuckles
- Webbing Slings (Flat & Round Type)
- Eye Bolts & Eye Nuts
- Shackles (D-type, Bow-type)
- Lifting Clamps (Plate clamps, Beam clamps)

Mechanical & Electrical Supplies

We offer a reliable range of mechanical and electrical supplies essential for industrial operations and infrastructure projects. Our offerings include motors, pumps, and compressors, along with electrical panels, circuit breakers, and switches. We also supply quality cables, cable trays, conduits, and accessories to support efficient power distribution. We provide HVAC components and systems, as well as generators and backup power solutions to ensure uninterrupted operations.

- Motors, pumps, compressors
- Electrical panels, circuit breakers, switches
- Cables, cable trays, conduits & accessories
- HVAC materials and components
- Generators & power backup systems

Fabrication Works

Atlas Core delivers high-quality fabrication solutions, including custom steel work, pipe fabrication in stainless steel, carbon steel, and GI, as well as structural steel fabrication and erection. Our capabilities also cover tank and vessel fabrication, along with precision welding and assembly works tailored to project specifications.

- Custom steel fabrication
- Pipe fabrication (SS, CS, GI)
- Structural steel fabrication & erection
- Tank & vessel fabrication
- Welding & assembly works

■ Galvanizing Works

Atlas Core offers reliable galvanizing solutions, including hot-dip galvanizing of structural materials and accessories. We also provide surface treatment, protective coatings, and corrosion protection to enhance durability and extend the lifespan of metal components in demanding environments.

- Hot-dip galvanizing services
- Galvanized structural materials & accessories
- Surface treatment & coating
- Corrosion protection services

■ Industrial Support Services

Atlas Core provides essential industrial support through project material procurement, efficient handling and logistics, customized product sourcing, and timely on-site delivery—ensuring seamless supply chain support for every project requirement.

- Project material procurement support
- Material handling & logistics
- Customized product sourcing
- On-site material delivery

■ Road & Traffic Sign Boards

We provide and install a wide range of road sign boards and traffic signs that comply with local regulations and safety standards. Our offerings include directional signs, warning signs, regulatory signs, and custom signage solutions designed for highways, construction zones, and urban areas. Each sign is manufactured using high-quality reflective materials to ensure maximum visibility and durability in all weather conditions.

■ Road Barrier

We offer high-quality road barriers designed to enhance safety and control traffic flow in construction zones, highways, and public areas. Our range includes plastic water-filled barriers, concrete barriers, and metal guardrails—each engineered for durability, stability, and high visibility. These barriers are ideal for temporarily or permanently redirecting traffic, protecting workers, and minimizing accident risks in critical zones.

■ Maintenance Support

Atlas Core offers optional maintenance support through the supply of shutdown materials, essential tools, spare parts, and consumables. We also provide temporary scaffolding material rentals to assist with short-term maintenance and turnaround activities, ensuring uninterrupted project flow.

- Shutdown materials & tools supply
- Spare parts & consumables
- Temporary scaffolding material rental
